COVAS, Parbhani Intranet is a subsite under the MAFSU Intranet Portal. Each College has been given an independent Intranet Portal with advanced access level controls for staff and students. These Intranet are build on the basis of the Pilot Intranet Portal at BVC, Mumbai . Users from any Intranet Portal will be able to surf through any other Intranet Portal, but need to register and login in his/her respective Intranet Portal.

Fine tuning and addition/activation of features would be done based on the feedback and requirements.
